GUARANTEE

I absolutely and unconditionally guarantee full and punctual payment and satisfaction of the applicant's indebtedness to VC. This is a guarantee of payment and performance and not of collection and as such, VC can enforce this guarantee against guarantor even if VC has not exhausted its remedies against the applicant. Guarantor shall make payments to VC on demand, without set-off or deduction or counterclaim. Under this guarantee, guarantor's liability is unlimited and guarantor's obligations are continuing.
